

How to take a taxi at Marrakech Airport (RAK)

To ensure a fair and fixed price, Marrakech Airport has implemented a mandatory **Taxi Booking Counter**. You no longer need to negotiate with drivers directly.

1. Locate the Taxi Kiosk

After collecting your luggage and clearing customs, exit the arrivals terminal. Look immediately to your right. You will see a bright **yellow and black kiosk**:

2. Purchase Your Ticket

- **Step 1:** Go to the counter or use one of the self-service touchscreens.
- **Step 2:** Provide your destination (hotel name or neighborhood).
- **Step 3:** Pay the fixed fare. You can pay by **cash (MAD)** or **credit/debit card**.
- **Step 4:** You will receive a **receipt and a ticket**.

3. Board Your Taxi

- Follow the "Taxi" signs to the loading area at the top of the ramp/parking entrance.
- Show your ticket to the staff or the assigned driver.
- **Do not pay the driver** anything extra; the fare is already covered by your ticket.

Estimated Fixed Fares (2025-2026):

Adam Park Hotel: ~150 MAD	Jemaa el-Fna area: ~130 MAD	City Center: ~110 MAD
